Tein SRT-4 Super Street Coilovers

Model : TEIN DSG78-KUSS2

Manufacturer : Tein

TEIN has developed advanced technology to design the shell case and stroke to bring out the full potential of your vehicle. These features of the TEIN Super Street Damper kit were designed with greater performance to satisfy all your driving demands. This high performance damper can be used for weekend racing and/or daily driving. The discomfort caused by uneven roads or bumps are eliminated on daily street use. For race use, the ride height adjustable system enables you to adjust ride height and 16 levels of damping force. In other words, you can set your vehicle to meet all situations! * High performance and cost effective. * 16 levels of damping force adjustment (compression and rebound together). * Ride height adjustable. * New paint coating for rust prevention. * Exclusive design for USA vehicle specifications (only available for the U.S.A Market). * Available for overhaul. Included in the Kit is: * Adjustable shock absorber x4 * Main spring x4 * Lower spring Seat x4 * Spring Seat lock x12 * Thrust Washer x4 * Bump rubber x4 * Dust cover x4 * Hook spanner x2 * Instruction manual (Front: -35~-53mm; Rear: -40~-59mm) Recommended: (Front: -40mm; Rear: -47mm) * 16-level damping adjustment * Includes main springs and helper springs (Front: 5kg, 280 lbs; Rear: 5kg, 280 lbs) * Upper Mounts not Included with kit.
