Ings +1 04 WRX / STI Body Kit

Model : ing-04stikit

Manufacturer : Ings +1

The Ings +1 Kits are directly imported from Japan. These Body Kits are OEM fitment, with cutting edge design. Through extensive testing and research, Ings has developed a hybrid fiberglass material that is unmatched in the industry. It has all the positive characteristics of traditional fiberglass (lightweight, easy to repair, holds shape well) as well as the flexibility and durability of materials such as plastic or urethane. The benefits of this race proven material can be yours on virtually every product that Ings manufactures. Prices for the Kits are in Hybrid Aero Material. We do have fiberglass available, but it is not as durable. Please contact us for more information.
