

> Sparco Subaru WRX STI Harness Bar Silver

## Sparco Subaru WRX STI Harness Bar Silver

Model : SPR 30017S

Manufacturer : Sparco

Featuring all hand built high quality construction and powdercoated. This Sparco harness bar allows the use of racing harness in your WRX without adversely affecting the car's "people mover" capabilities.

The resulting ride stiffens the center of the car allowing the WRX to handle much harder cornering loads.

This bar allows for a secure and proper installation of a 4 or 5 point harness system.

Will install without any modifications. Will fit the wagon, or the sedan. The harness bar is set so that the front seats are able to recline.
