ARC 350 Z Oil Cooler kit

Model : ARC AOCZ33

Manufacturer : ARC

When racing on the circuit the oil temperature in your engine raises extremely to unsafe levels. At these temperatures you oil loses viscosity and will not protect you engine against harmful damage. ARC has developed a extremely well designed oil cooler to help lower oil temperatures to a safer level. This will give you the ability the push you car harder and longer. This ideal for turbo and naturally aspirated cars.
