Whiteline WRX Subframe Rear Diff Support Lock

Model : WTL KSB750

Manufacturer : Whiteline

The Whiteline Subframe Lock kit is engineered to lock the rear subframe in the WRX. It prevents the rear subframe from moving under heavy lateral loads. Which will change the alignment settings at that moment. This kit includes 2 bolts with a simple insert and tighten install. It is probably one of the easiest installs available.

Price : \$37.57
