

> ATE Super Blue Brake Fluid

ATE Super Blue Brake Fluid

Model : ATE 108287

Manufacturer : ATE Fluids

Developed for motorsports, the Super Blue brake fluid is perfect for your daily driven vehicle. With a boiling point of 536 deg. F, and a wet boiling point of 392 deg. F., the Super Blue has excellent resistance to boiling and thermal break down. Super Blue is a DOT 4 brake fluid and fully compatible with the factory's brake system. Its distinguishable blue color also allows for easy fluid level checks and helps eliminate the chance of being mixed with another inferior brake fluid.

Price : \$15.54
