## Prodrive STI Bump Stops Pair

Model : PRO B36-597

Manufacturer : Prodrive

The Prodrive Bump Stops are used in conjunction with any lowering spring for the 2004+ STI. They will directly replace the factory bump stops, so the need for cutting the factory stops is non-existent. They are also a harder durometer, therefore absorbing most of the impact upon bottoming out the strut. Sold as a Pair.

~~Price : \$34.00~~

**Sale price : \$28.00**
