## Hafe Evolution Exhaust Manifold

Model : HAFE evoexhmani

Manufacturer : Hafe Performance

The Hafe manifold is a great option for people looking to build their own turbo kit. The manifold is a cast piece so it has better heat retention properties than tubular pieces. This heat retention transfers more energy to the turbo for better performance while keeping under hood temperatures down. This piece has a T-3 Flange and features a flange for a 44mm Tial Wastegate.

**Price : \$649.00**
