Kartboy 02+ Impreza Super Combo W/ Rear Shifter Bushing

Model : KB-032-2002

Manufacturer : Kartboy

This component replaces the stock shift lever in 2002+ Imprezas (does not include STi), 00-04 Legacys, and 97-04 Foresters. Overall shift throw is decreased by 40%, providing a noticeable difference and a solid feel. Constructed of CNC'd and TIG welded 4130 Cr-Mo steel. Installs with simple mechanic's tools in under 30 minutes. Made in USA. Kit includes Shift Lever, Linkage (Front) Shifter Bushings, Rear Shifter Bushing and Silver or Black Shift Knob (with sticker).

IF YOUR CAR CAME WITH THE STI SHORT SHIFTER KIT, YOU NEED THE KB-016-1997 KIT FOUND IN THE IMPREZA GC/RS SECTION
