Beatrush WRX/STi Air Intake Funnel

Model : BRUSH S96016AF

Manufacturer : Beatrush

The Beatrush Air Funnel for the 02+ WRX and STi factory air box lets you pull cold air in from the fender without having to install a cold air intake. This gives you the extra performance of a cold air intake without the troublesome issues with your MAF sensor. A great part for anybody looking for more power on a factory intake.

Price : \$182.00
