## Beatrush 5-Speed Shifter Bushings

Model : BRUSH S76010SCB

Manufacturer : Beatrush

With year of experience in motor sports, Laile; which manufactures, brands, and operates Beatrush; has collected sufficient data information on the tracks of Japan to produce high quality and functional products. Located in Yokohama, Japan; Laile manufactures most of their product's brands like Beatrush and Arpsports with their high precision machinery. All the unique products developed by Laile offers superior safety and plenty of pleasure both in track and the street, as well to look at.

- Beatrush's shift control bushings are engineered to improve shift feel and responsiveness on your vehicle by eliminating the soft rubber factory bushings. The shift control bushings remove all flexing common to soft rubber bushings which lead to miss-shifts and sloppy shift feel.
- Beatrush's shift control busings use polyurathane w/ aluminum inserts to prevent wear and deterioration over the years, thisprovids a confortable yet precise shift feel for daily driving.
- Fits all 2002+ WRX, and many other Subaru 5-Speeds

**Price : \$39.00**
