## DEI Design Engineering HT Silicone Coating

Model : DEI 01030x

Manufacturer : Design Engineering

The HT Silicone Coating provides lasting protection for any hot surface up to 1500 degrees. We recommend the use of this coating with our exhaust wraps because it seals the material and provides lasting protection from oil, dirt and road grime. Don't limit the use to exhaust header wrap, this products works well on headers, blocks, starters and even on your grill at home. One can enough for V-8 headers.

**Price : \$9.95**
