Cobb Tuning 02-07 WRX / STI Urethane Exhaust hangers

Model : COB 511301(4)

Manufacturer : Cobb Tuning

To help reduce excessive exhaust movement that can lead to the occasional rattle or rubbing, Cobb Tuning offers highly durable Urethane exhaust hangers which are an exact replacement for the factory units. The urethane mounts are much more rigid than the soft, factory rubber mounts and come in handy when your exhaust system occasionally taps the differential or sway bar during aggressive driving. On the 02-07 WRX / STI, there are a total of 4 hangers of this style 3 of which are used located on the muffler section.

Price is for 4 hangers
