APR Carbon Fiber GTC 200 Evo 8/9 Spec Spoiler

Model : ARP AS-105948

Manufacturer : APR Performance

The GTC-200 wing is the latest aerodynamic 3D designed technology aerofoil, constructed with carbon fiber composite materials from the aerospace industry, and the center humped aerofoil design for cleaner air travel over the wing. Combining these two newest technologies and its adjustability, this is the most efficient lightweight GT wing of all.
