RED IS FOR THE LETTERING NOT THE ACTUAL RED MUDFLAP!

Our polyurethane version of our popular Subaru Impreza WRX, STI mud flaps known as the Rallyarmor UR series for both Impreza WRX and STI owners that prefer flexibility to their rally mud flaps with Rallyarmor Logo.

Crafted from premium polyurethane, these mud flaps have been engineered to perform consistently in a variety of environments.

In true rally tradition, our polyurethane rally flaps endure the elements season after season, while finishing your vehicle with a rally look.

Each set includes four mud flaps for each corner of your vehicle with rust proof stainless steel and plastic mounting hardware. No drilling into your vehicle required. Simply bolt on using supplied hardware and easy to follow video and instructions. These rally mud flaps are an excellent choice for lowered, competition race, rally vehicles or for use in extreme type of conditions. Fits all 2002-2007 Impreza sedans.
