## Rally Innovations Light Bar

Model : RI SLBGDB001

Manufacturer : Rally Innovations

Creating a new look in the Sport Compact scene, the one-piece Rally Light Bar adds an aggressive look as well as functionality. The light bar is made from heavy duty 1.25" x 0.055" steel tubing and is primed or powder-coated for rust protection. Fog/driving light mount tabs allow you to mount a pair of lights while keeping the tabs hidden from view. Each Rally Light Bar is made specifically to each vehicle, tightly contouring the O.E. bumper cover, ensuring a custom appearance-installs in minutes and requires no drilling of the frame or cutting of the bumper cover. (Lights shown are not included.)

Gloss Black
