HKS EVO X GSR/MR High Flow Panel Filter

Model : HKS 70017-AM007

Manufacturer : HKS

HKS high-performance Super Filters are a direct replacement for OE panel filters when a factory airbox is required or preferred. Super Filters feature the same 2-layer wet-type, polyurethane material as in the Super Mega Flow. The filter element is bonded to a flexible nylon frame and offers a price-friendly performance alternative to a full intake system.
