

> APR WRX STI GT3 Carbon Fiber Mirrors

## APR WRX STI GT3 Carbon Fiber Mirrors

Model : APR CB-801402

Manufacturer : APR Performance

APR Formula GT3 Carbon Fiber Mirrors are designed for optimum performance, most widely used mirror on formula race cars. Feature a left to right pivot at the mirror housing with an adjustable ball stub rod to allow a very wide range of adjustment. These carbon fiber mirrors are compact aerodynamic shaped with a very low drag coefficient. Billet aluminum mounting bases are specifically designed to factory specifications for easy installation. The mirrors are only available in carbon fiber with convex lens.
