

> TurboSmart 02-09 WRX / STi Dual Port Blow Off Valve BOV

## TurboSmart 02-09 WRX / STi Dual Port Blow Off Valve BOV

Model : tbs TS-0205-1015

Manufacturer : Turbosmart

Stronger, more durable, adjustable and capable of withstanding much higher boost levels than the factory item, the new MY08STi Dual Port is an ideal bolt-on performance replacement for anyone intending to increase the boost on their MY08 Subaru Impreza Sti. Application Suits all Subaru Impreza STi, plus Subaru Impreza WRX – MY01 onwards.

**Key Features**

- Includes both atmospheric and bypass ports
- Easily converts to a fully atmo or fully bypass valve
- Sequential ports provide a quiet operation on mild boost and full performance at full boost
- Simple installation and setup.
- Anodized cap
- 360 degree rotating nipple

Like all Turbosmart BOVs, the MY08STi Dual Port is manufactured in Sydney, Australia under strict quality control.

**Price : ~~\$359.00~~**

**Sale price : \$323.10**
