## TurboSmart R35 GTR Dual Port Blow Off Valve BOV

Model : TBS TS-0205-1026

Manufacturer : Turbosmart

Stronger, more durable, adjustable and capable of withstanding much higher boost levels than the factory item, the new R35 Dual Port is an ideal bolt-on performance replacement for anyone intending to increase the boost on their R35 GT-R.

Featuring both the recirculating and vent-to-atmosphere ports, the Dual Ports offers the best of both worlds with quiet operation during normal driving and full flow benefits of an atmospheric BOV under full throttle.

Only in black
