Sparco EVO 2 Plus

Model : SPR 00866FNR

Manufacturer : Sparco

The Evo 2 Plus seat is the natural evolution of the Evo seat in the large size. The new seat has been redesigned, placing all the measurements in proportion. Taller and, consequently, wider, better positions of the seatbelt slots at the driver's shoulder level, more rigid main shell, and space for the HANS collar. An improved seat, a further step forward for the great Evo project; the only seat with three sizes.

Colors: Black. Red

Price : \$729.00
