Power Enterprise PE 1818F Turbo WRX STI

Model : PE 1818

Manufacturer : Power Enterprise

The PE 1818 Turbo is a high-performance turbo developed by Power Enterprise. The turbine and compressor housings are used from IHI and uses Power Enterprises custom twin-ball bearing center cartridge. This turbo is able to produce power over 410+ hp. This turbo has a smaller housing then the PE1820 which gives it less turbo lag and makes it more streetable. And full boost can be achieved by 4000 rpm. This turbo is a direct bolt up to the WRX/STI.

2007 STI's use a different oil feel line then the previous STI's. Please Call in when placing order or specify when ordering that you have a 2007!

Price : \$2,390.00
