## Kartboy WRX Short Shifter and Bushings Combo

Model : KB Combo SL + FB

Manufacturer : Kartboy

This Combo includes the Kartboy WRX Short Shifter and Kartboy WRX Shifter Bushings. You only need to order this to receive both parts

If you have the factory Short shifter Kit you need the Regular Impreza Shifter. Please verify which shifter you need before ordering. If you have any questions on how to check to see which shifter you need feel free to give us a call

The Kartboy Short Throw shifter replaces the stock shift lever in 2002-2006 model year Subaru Impreza vehicles. Overall shift throw is decreased by 40%, providing a noticeable difference and a solid feel.

Constructed of CNC'd and TIG welded 4130 Cr-Mo steel. Installs with simple mechanic's tools in under 30 minutes. Made in USA. [Click Here For Installation Instructions For This Part](#)

The Kartboy Shifter Bushings replace the stock shifter mount bushings in 1998-2010 model year Subaru vehicles, including Impreza RS, WRX (not the WRX STi, yet) Outback Sport, Legacy, and Forester. While this product will not change the geometry of the shifting mechanism, it eliminates excessive play in the system for a more solid gearchange. This product requires jacking of the car and jackstands are mandatory. Can be installed in 30 min. Material is Black, 95A durometer polyurethane. Made in USA.
